

International Long Distance Rate

Calls are subject to any service restrictions in effect at the destination point. Some areas within the destination lists may not be accessible by telephone. Rates for calls to a wireless device, such as a mobile phone, a pager, etc., may differ from the landline rate.

Les appels sont acheminés sous réserve des restrictions de service en vigueur à l'emplacement d'arrivée. Certaines régions des destinations énumérées peuvent être inaccessibles par téléphone. Le tarif à la minute pour les appels acheminés à un appareil sans fil (téléphone mobile, téléavertisseur, etc.) peut différer du tarif visant les appareils filaires.
